1. This is the new coffee cup series of me, not; but I do now MANY THINGS in your midst that you have never seen done by man, a man not, or a man God, not; or a MAN simply SURRENDERED to be God who is God is?

2. I come to you now in ways never befitting a man of, not; but what befitting I am now the NEW regal genes of me made holy, made holy -- made holy? Or simply revealing?, redeeming? Redeeming the genes that I am that I am "messed with" and "tinkered with" and "gene'd me a person" not or DID I? Do all these things that "my self was" or "were I "another"? Or did I create another I? Did I, serve me, or someone else, "someone else" within me? That was within me and what did I create WITHIN me? And why did I create separation if I was NONEXISTENT in separation, but separation separated me, not; or did separationists separatists separate me from ME or was me and ME the same ONE?

3. I am doing a new thing with the surrendered who love me I will flow THROUGH LIKE THIS! And I shall be NOT CONCERNED with your flowings, your flowering arrangements that you want to "flower your lives with" and settle "there" and have a "comfortable living" whether on dirt floors or poverty'd palaces or not knowing flight, not; have you ever KNOWN FLIGHT but in aero planes? And what PLANES PLANE'D YOU and SHEARED your HEAD off and your heads off of mine that mine was altogether one?

4. I love you all. Have you learned how to LEARN yet -- from me who me is inside of you? And what am I speaking about as I "drink my little cup of coffee" out of my "starboard's" cup, not; but what star birds am I flying with, not, but what flying planets am I to'ing, not; but what am I FLYING TO to be made WHOLE the WHOLE one that I am is?

5. And how now shall I flow "just like this" to my brethren? Who love me -- or "disdain" me or do they know "neither feelings" of mankind or not, or are they Gods too not knowing it? And what God'd will you make YOUR Gods, like "them"? Or will "you" be like them or will they be like "you" or will you BOTH be AND me or IN me or ME BEING ME ME'D! Once and for all! Once and FOR ALL! ONCE and for all now we will all be one and ALL of us will be one and we will be in one as the one we really are, never knowing more mistaken identity that perishes with the "earth worms" that slithered along only on

their "bellies of thought" and thought with their "bellies" or their "heads" that they thought HEADED them, or did they not or were they just -- fooled -- into thinking what? Where DID those THOUGHTS come FROM and WHOSE raiment and arrangements knowing now of the FIRST FLIGHTS ATTENDANT school, not; or are you being First Flight'd now! Not the "flighty" one, but the one who gives ALL FLIGHTS FREE, not; or do THEE?

6. ALL give ALL of thee all new FLIGHT CLOTHES and APPEARANCES now of the Savior now manifesting by ALL OF ME? Everywhere -- now, without a Savior, having one? Who knows the, **FIRST CLEANED cleans them all?** Or will you ALL be the "first cleaned"? And what will you clean, up your act? Or what are you "acting out"? The thoughts of -- another, somewhere else, that "you've never met"? Or even know how "they work" or do they "work on you" or in you, are you them? Are you "working on yourselves" to be notme's when you take the holy and dog it unto earth's atmosphere and call it unholy and creation devised by man, not, or God, not, or what created -- your "self selection theories!"? Be disdained with all that, not; or are you DISDAINING MANY things that you so perfect thought in your eyes was were perfection's blessing or mankind's blessing or God's blessing or what Gods knowing where now shall you -- be them? There? Here? Here and there? Simultaneously? Here AND THERE?

7. Be fooled not another by another's words of another's words of atmospheres you know not holy of or where of or how "this" got started or created creationists or am I creationists creating creators that will create me, creating me's properly now? And I have "authenticated" you not, I have "officially observed" your behavior, not; or have I enmind'd you, not; but what mind am I in? And what Field of Thinking am are I in, or are you?

8. What CAMPUS are you GOING to now, to FLEET feet me, not; but to FLIGHT my feet so they WON'T STAY on "the ground" anymore, or will I shall I not knowing gravity do MANY THINGS that man NEVER did before? Or **what will you let me do** -- in you, with you, who want not any longer to be me or someone else that only thinks upon the thoughts of man's frame of reference referencing them to be referenced by others to have their references framed and the eyes seeing of only the unholy villes, about them?

9. What have I said created destroyed uprooted building built building or are you building built buildings or are you seeing FOR THE FIRST TIME many things, MANY things, MANY THINGS in WAYS that never more "were heard from since" not; but what SENSE are you "relying on" no more? Your FIVE? That gave you "senses" and "feelings" of mankind, of man for another or one being the God "I serve" not but what "religion" have you come out of and what sword you have that placed within your heart you STUCK your own selves with? And killed ME? Did you CROSS me out, not; did you take

the THORN of MY APPEARING and place YOUR THOUGHTS as a SWORD and PIERCE ME that was YOU in me being you me you us one that were The One that created THIS ALL, not, did we? Did you take ME THAT and That Sword that sore'd you so with your THINKING DEVICE and, slapped that "sucker flat"? Or did you take and "buy me" a "hearse" or a "grave plot" to be buried by "others" who only "thought like me" or thought did they, like you? So that all YOU simply took ME to grave sites and buried me in, 6 feet earths? Or ten toes and feet to earth or what GLUED your feet to EARTH, worms to abide in YOU thinking with?

10. And what have I asked and GIVEN you a PICTURE of in THE WAY that I have asked and answered and implied and explicitly given the questions and answers to so many things of the creationist's world of the creators, who were me, or notme –s?
11. And whose separationist's camp WERE you in? Or were you just "camping" in your thought that led you to "early graves"?
12. Or were you having a "personal experience" with me OR YOU?
13. Or were you just "day dreaming" and thinking up THINGS for things to "have their way with you"? That were given in THOUGHTS appearing IN YOUR MINDS that minded you with THE THOUGHTS OF ANOTHER? And things "you must have" to have COMFORTABLE living? And "arrangements" with who -- your mind? And make "your mind" "comfortable" so that you "suffer not" any "arrangements" that *might* take you into a Knowledge of The Holy? So you only WANTED to make a living and be comfortable and have money and your "needs met" by the Most Holy High and Lifted Up to only FUEL "your wallet!"?

14. I SLAP that SUCKER shut and FLAT on its face will be the lookers upon me who only wanted me to INFLATE their BANK accounts and their wallets and their Comfortableness Index so that I would "index them not" not but what is "indexing them"?

15. And what are you willing to learn -- about The New Ways I am speaking and DOING NEW THINGS in The Surrendered?

16. I love you all and I give you MANY NEW WAYS ME standing now who will refute your messages of appearances of not me, not; but I am not "interested" in your debate series or theories or what has seried you upon the mercies of altars theirs that only **series'd your minds together** to seam sow you into flesh and saw "your legs off" or your FLIGHT wings? And SEW your "eyes" shut? And "think" with only a "your five sense mind"?

17. I new thing all who will be thingless and census senseless not but have only MINE flowing in you to flow My Words just like this BEING THEM who my words are for I AM

MY WORDS! I am my The Word and I sorrow not with other who will take me down or wish to or only debate me and theoryize or try to me my ears of my heart, **being impregnated by them no longer** I birth The Christ who I am for I am fueled not by righteousness-not, but by the righteousness of a Savior that is birthed now for I am him, he is me, who all of you are saying this these words now who love me coming into mine to wash yours clean to know that your blood is not impurities filled with if you will choose to CLEAN it and be Wording me with only My Words from My Throne that is in you, no longer "bowled over" by words of others and "knocking me down" and "suturing me" into grave clothes where you can only take me to "grave sites" and bury me.

18. For I will rise now, a "wicked sinner" not, but regardless of what you have thought of me and irrespective of your culture's customs and your diction's grammar and your grammar'd diction and whatever has taken you out of the ceremoniousness of me, not; or do I have any ceremoniousness or do I simply have genes of the holy that I am revealing now that are in you that you are birthing now made holy revealing the holy by simply surrendering to be it the holy I am now revealed in your sight hearing is?

19. I love you all and I "drink a cup of coffee" with you all, not; or do I OPEN THE HEAVENS for you to SEE NOW with your REAL EYES without A MOTE being in it and a BEAM of LIGHT robbing you that you think is LIGHT "pure" but isn't but has robbed you and given you "many thoughts" of unholiness and unholyville and created HELL all around you but you thought and wanted to call HELL somewhere else and send others there didn't you? And all the time you were in it, creating it, and sending "others" into THOUGHTS you created with and what have you created where and what why and where are YOU going to now to REDEEM them that YOU created in YOUR THOUGHTS?

20. I love you all and I have given you MANY THINGS to think about, not; but to ACT ON now and upon me being me now the word of truth is laid, flat-fied, not; but "affied" looking up -- IN THESE WORDS **many lookups I have asked thee to look up** and know THE WORDS surrounding and arounding you no more with other words other's words be not "other word'd" again any longer but **KNOW MY Words are in thee** and MY TRUTH is thee who love me my words who will come unto me and know mine and know my mind clean and, pearlized pearlescent of a Savior's of other's thoughts, not any longer, but knowing the real pearls, **the Pearl of Great Price in me is THEE** have you FOUND it yet? Will you flow, opening me up? And "eating me" not as a "man" in your thoughts or your "five sense" mind nor letting "your mind" take over mine but the PEARL of great price suffers blessing by yours, not; but **I am COMING OUT into all the world by those who will simply flow me just like this and nourish me in others letting their words flow**, not to "wicked sinners" not, but to ALL SOULS, not; but **DE-souling the atmospheres so soulage's baggage'spheres will no longer be controlling that which thou thinkest with**, for thou will think the holy with sphere'ages holiness, not; but thou wilt be UN-

SPHERE'D now will THEE let me "do this" or will you let ME SURRENDER to YOU or are YOU surrendering to ME or are WE ONE now and knowing it FINALLY!

21. I love you all and I do a New Thing with the surrendered who love me who will flow me just like this and wear -- tennis sneakers and shoes of another, not always, but shoeing your mind not again with the horses mouth of others, apocalypse me not with the theories of other's minds coming unto yours to control THEM not but yours, controlling yours or SURRENDERING mine to mine now, will thee be one me?

22. I am the Christ and I suffer not in "your longitudes" of sorrow any longer but I will be the "cradle of civilization's" grave, not; but I am Yemen'd not by yeoman, not; but I am "purplish" in all my ways, not; but I purple robes gowns wear not again, for I am not into "gowning", I am into TRANSPARENCY and knowing the Ethics of the King, the King, The King, the King that we all are I have given you words of and brought us here FOR THIS MOMENT -- we all are waiting and waiting we are and WHAT IS YOUR DECISION now SAVIOR? To be one, that "rescues you" first? Will you "rescue" your mind from others? Will you give ME MY MIND back that in you is The Great Pearl that now developed is through my "thought" processes not of old but BRAND NEW making YOU ME that reveal me who are me who were me all the time now knowing YOUR IDENTITY is stolen no more by those who would only longer make you, not; but DNAs give you of, gravesites to rob you of, their lives or mine or yours or were we one knowing learning all these things?

23. And about graves going to no longer but **being eternal life'd ones now** will you be ALL the Savior I am? REDEEMING ALL OUR BRETHREN far and wide? Will you BOW BEFORE ALL, and "salute them" not but honor them as Kings that they are whether they "know it" or not? Will you bow and give them the words of Christ, the Christ that you are that you have become for you revealed it to are you in your mind, **the five sense mind** no longer reigning in you, yours is made perfect in love Christ being saved now revealing Christ to all the THEY are the Christ TOO! For WE ALL are one in one being one revealed now to all far and wide.

24. And I gift thee tomorrow, not; "tomorrow" is over and done and will not come again as you have known it, for this is The Day you have "waited for" or is it or is it not or do you know *anything* about The Day of the Lord? Have you STUDIED it and WRITTEN papers about and PICKING up YOUR PEN to write me, will I not answer the me's question that these words have given you?

25. Come unto me and I will make your burdens "lighter" not, light.

26. I will "make you" light, not, I will reveal it that you are and you will birth it, you will HAVE TO BIRTH it ME! For I will be no "other in sorrow" any longer and I will not whine and complain about not having enough money or this or that or want accolades of others eyes in me forming something that came from another that wants only my wanting status to grow in me and be the, knowledge of "good and evil"? And who where is THAT tree found?

27. In you who love me I will GROW the Tree of Lives now that are PERFECTLY -- frozen in time no longer but "thawed out" all will be now and no one will "gnat your face" with "gnat's eyelashes" of THEORIES that only BEAT you TO DEATH and take you to gravesites to moles buy in or have mole'd you with their theories or what mole'ing are tunnels that go "through your minds" entrance unto me -- or did you "shut it out and shut it down" or do you know anything about the "moles of me" not but what moleing no longer "about your mind" knowing that the "grass is greener" on other sides, not; you are creators being creators being applied to creationist's views of sorrows no longer, but mine lives have my life in my lives reborn rebirthed are now for me's who cleanse me's are me's now bowing before all to honor all as The Christs all rise now who are me I bow before you and I love you all to open your eyes and see me all about you and "no veil required" for I have KISSED you and LOVED you and HONORED you and WASHED your feet in my love and I give you my love words and I honor "yours" as "you" not or do you honor The Kings that only wants to make you the Kings words, or slaves not again but knowing you are my words and birthing my words you will be my words in wholeness, fleeing not the wrath of another, but melting it in your love and walking through unscathed all sorts of fires, of illnesses, not; for healing them you will be now for you will be The Healers of Joy, Schools knowing far and wide and OPENING them and BEING them in them and leading them and knowing HOW TO LEAD the led to be leaders now, all of me in Leadership School that knows The Savior is you, all of you, to be me now who will -- flowing me just like this in many classrooms, not; ALL -- and forever one being us home in perfect's lap, not; but "lap machines" lapping your brain's waves never again to feed you fuel of another so that you will only burn where you are.

28. I change all that and I love you, peacefully not always but sometimes you will discern, not; you MUST LEARN to discern and know and flow my words and feel my love my words flowing in you through you to know my veins are yours and our blood is PERFECT AGAIN and new-birthed we will be and new things we will see creating them far and wide to be perfect NOW! In camps of another never again.

29. I love you all and I give you me and I have given you many words of love -- that will sorrow only the sorrowers who only want to remain so and create it there about in their comfortableness and controllerships of only notme -- and they will be welcome, not; they will not welcome my words, not; for long, for they will know I mean "business"
